(June 15, 2020)**

On June 12, 2020, the United States Postal Service (Postal Service) filed in these dockets a request to add International Priority Airmail, Commercial ePacket, Priority Mail Express International, Priority Mail International & First-Class Package International Service Contract 1 to the competitive product list within the Mail Classification Schedule.¹

¹ USPS Request to Add International Priority Airmail, Commercial ePacket, Priority Mail Express International, Priority Mail International & First-Class Package International Service Contract 1 to Competitive Product List and Notice of Filing Materials Filed Under Seal, Docket Nos. The Postal Service hereby files, as Attachment 1 to this notice, a revised version of Attachment C that was included in the Request that the Postal Service filed in these dockets on June 12, 2020. On the second page of the revised version of Attachment C, the revised portion (the replacement of “2510.1” with “2510.18”) is highlighted in gray.²

² In addition, the Postal Service notes that the proposed revisions in Attachment C to MCS section 2510.3 concerning Global Expedited Package Contracts as well as to MCS section 2510.6 Global Plus Contracts, were accepted by the Commission in the Commission's Changes to the Mail Classification Schedule in PRC Order No. 5547. Because PRC Order No. 5547 was issued just a few minutes prior to the Postal Service filing its Request in these dockets, the Postal Service was not aware of PRC Order No. 5547 at the time of filing its Request. See PRC Order No. 5547, Order Adding Priority Mail Express International, Priority Mail International & Commercial ePacket Contract 1 to the Competitive Product List, Docket Nos. MC2020-146 and CP2020-156, June 12, 2020, at 11-13.
